

## About the Facilitator

### Joe Boyle

Joe Boyle is President of [JBE](#) and a partner in Technical Consultants Inc. He graduated from Rutgers University with a BS in Industrial Engineering and has continued with post graduate studies in Training, Development, and Performance Improvement. As your facilitator, Joe provides coaching and technical training to develop team leaders and help cross functional teams eliminate waste. Using a hybrid approach, combining online and onsite training methods, Joe can

effectively coach leaders and facilitate your cross-functional process improvement teams to solve complex problems. Joe will help you link learning outcomes to positive business results.
